

CAREER MONTH

April 2021

**Cabrillo
College**

preparation + opportunity

EMPLOYERS!

Join us for Cabrillo College Career Month - April 2021!

Throughout the month of April we'll host four different FREE virtual career fairs, each with their own [Career and Academic Pathways \(CAP\)](#) focus. We invite employers to participate in as many of the career fairs that match their hiring needs.

CAREER FAIRS All will be hosted from 3:00 pm–5:00 pm

- April 8 Global and Human Studies CAP
- April 15 Entrepreneur & Business CAP & Creative Arts CAP
- April 22 Health & Public Safety CAP
- April 29 STEM CAP

Participants: Students from Cabrillo College, Hartnell College, Monterey Peninsula College and Job Seekers from the general public will be attending.

Program: Each career fair will be two hours long, structured as follows:

- **3:00 pm Intro Session (30 min. session)**
Introduction and overview of positions employers are hiring for and a brief overview of logistics
- **3:30 pm–5:00 pm Employer Rooms (3 x 30 min. sessions)**
Employers host their own rooms to conduct live Q & A's with students and job seekers.
 - 90 minutes, broken down into three 30 minute sessions. Employers will provide a brief 3–5 minute presentation on the available opportunities at their company with the remaining time for questions. Employers will repeat this presentation at the beginning of the second and third 30 minute session, giving students and job seekers an opportunity to 'bounce' between rooms and hear from different employers.
 - Each employer room will be supported with a moderator (provided by our community college partners) to field and announce questions for job seekers and students.

Registration: Please register by March 12, 2021 | Click [HERE](#) to register.

For more information, please email: studentjobs@cabrillo.edu

**FREE for employers
to participate!**
